Dear Sirs,

**New Roads and Street Works Act 1991
C2 Plant Enquiry re: Highway Land only - Plant Affected**

Thank you for your enquiry regarding works at Garthland house, for proposed WORKS.

Cable and Wireless UK have apparatus in the vicinity of your proposed scheme. We have enclosed plans showing the approximate position of the apparatus, please note the disclaimer on the plans.

A copy of the current special requirements guidance process OSM.060, relating to the protection of external network apparatus when working in it's vicinity, is available upon request.

Diversionary works may be necessary if the existing line of the highway / railway or it's levels are altered, where apparatus is affected.

Where apparatus is affected and requires diversion, you must submit draft details of the proposed scheme with a written request for a 'C3 Budget Estimate' to the address below. These estimates should be provided normally within 20 working days from receipt of your written request. Please quote our reference above when requesting a C3 Budget Estimate. Failure to submit your request to the address below may lead to delays in processing it.

Please note: If your enquiry relates to works affecting rail transport authority land, we have assumed that only apparatus in the highway may be affected. Please resubmit your enquiry clearly stating that the works affect railway, in order that we can check against apparatus records for the railway.

Yours Faithfully,

OSM, U.K. and Ireland
Acting as agent for and on behalf of Cable and Wireless UK

Please note. To enable us to process your application as quickly as possible, please ensure that you include a post code and/or an Ordnance Survey Grid Reference. Thank you for your co-operation.
